RSW REGIONAL JAIL

November 12, 2014

ADDENDUM 3

VOLUNTARY EMPLOYEE BENEFITS

RFP-010-RSW

Questions Received: Thursday, November 13, 2014

Q: Do you have these lines of coverage in place currently with any carrier? (i.e. Aflac, Colonial Life, Allstate, etc)

If so which carrier is currently in place?

A: The RSW Regional Jail does not currently offer these benefits.

Q: Based on the wording of the RFP under purpose and scope of services there are a very limited number of carriers that can support this bid and commissions are always part of these types of plans. That is what pays for our services. Question is have you already predetermined who your broker of record will be for these products? If so we will not be interested in pursuing this bid.

A: It has not been determined at this time if the Broker of Record will be needed.

Q: Who is your major medical health broker?

A: Anthem Blue Cross/Blue Shield – Local Choice

Q: In regards to the STD and LTD product lines, will these plans only be marketed to employees hired prior to 1-1-14 that opted out of the VRS plans or did RSW opt out of the VRS plan?

A: RSW is part of the VRS and it will be offered to all employees.
