ADDENDUM 3

PHARMACEUTICAL SERVICES

RSW-2019-003

To further clarify the responses to the following questions that were included in Addendum 1,

Q29: Will you mandate that the pharmacy vendor use a FDA-registered repackager for Correctional Health stock medications to ensure compliance with Federal regulations?

A29: Yes. If applicable. Please refer to the following excerpt from the second page of the RFP. "Offerors must be insured and possess all federal, state, and local licenses and certifications that apply. The offeror must adhere to the Virginia Board of Pharmacy Regulations (VR 530-01-01 Part XII, Sec. 12.3 Drugs in Correctional Institutions, and Part XI, Sec. 11.2, Para. H Pharmacist's Responsibilities) while under this agreement."

Q30: Will you require bidders to provide, as part of the proposal, evidence (the repacker's license and labeler code) that they use a FDA-registered repackager, as this is the only means to ensure compliance?

A30: Yes. If applicable.

Q31: Will failure to provide proof of compliance with Federal regulations deem a bidder non-responsive and therefore ineligible for an award?

A31: Yes. If applicable.
